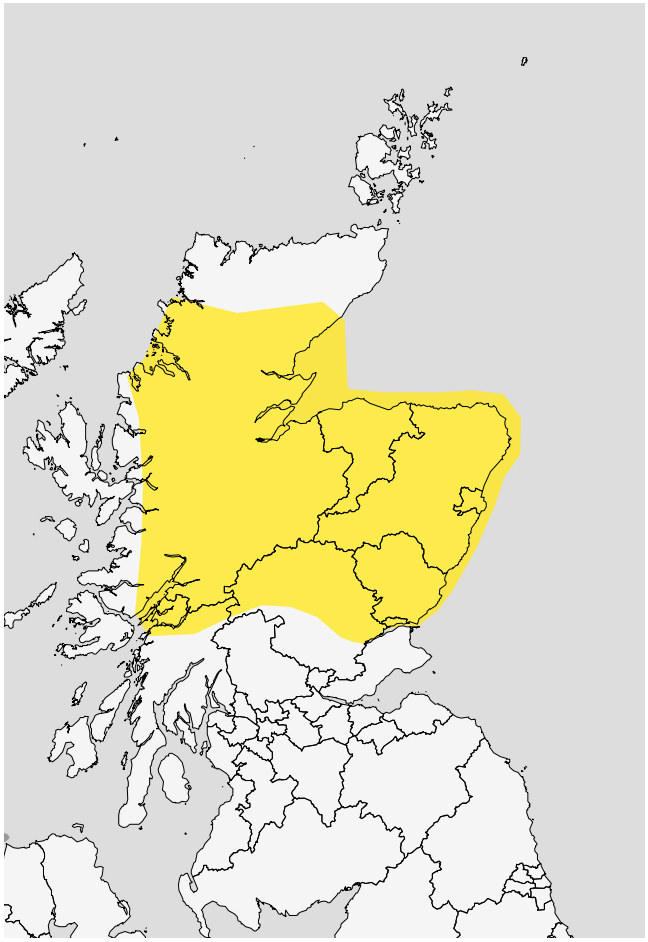
Yellow warning
Rain

Between
06:00 Sun 8 Oct 2023 and
19:00 Sun 8 Oct 2023



Further rain on Sunday afternoon is likely to add to the disruption and flooding in some places.

What to expect

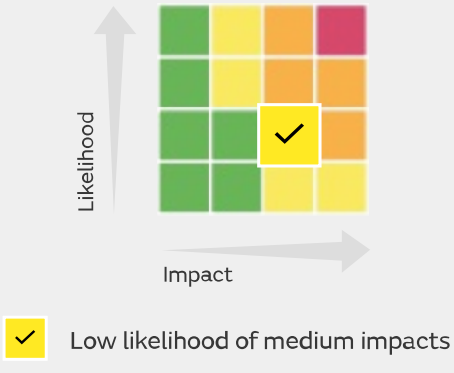
- Homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, causing a danger to life
- Further delays or cancellations to train and bus services are possible
- Spray and flooding will lead to difficult driving conditions and some road closures
- Some communities may remain cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

Further details

Further pulses of heavy rain will move east across the northern half of Scotland this afternoon and clear during the evening. A further 20-30 mm of rain is possible, with 10-15 mm of this falling within an hour in a few places.

Reason for update

Warning extended until early evening as further pulses of heavy rain will move eastwards over the next few hours.



Low likelihood of medium impacts
